

GARLIC THEATRE'S

FLEA CIRCUS

"Peerless puppetry
from the ever fresh
Garlic..."

Kommedia, Brighton

must be seen to be believed...

Roll up, roll up for the thrills and spills of Garlic Theatre's amazing Flea Circus!

Puppet theatre for ages over 5

Let the fleas dance, the actors scratch and the audience gasp at the smallest performers in the world performing death-defying acts of bravery. Do not worry our fleas are fully trained and are safely contained at all times...or are they?

Garlic Theatre's new extravaganza promises a feast of comedy, fantasy and razzmatazz as we celebrate the microscopic world of the fleas with masks, trumpet-violin, masks and rod and shadow puppetry.
