SNUG AND GRUB

CATCH A BUG

“ *Mark Pitman is an effortless performer who brings an imaginary world alive through wonderful mime and clowning.* ”

Malcolm Knight, Executive Director
Scottish Mask and Puppet Centre

Snug and Grub live safely underground in their earthy heap. One day they pop out from under a rock to see some googly eyes peering through the leaves of their special bean plant.

What on earth is it and who can catch it first?
But beware, something is hovering in the blue sky ready to swoop down...
A wonderfully wiggly adventure for all the family.

Join Garlic Theatre for this funny, bug-tastic adventure, with clowning, a beautifully crafted set, colourful puppets and foot tapping music.
