JACK AND THE BEANS TALK

Was it a dream or did I hear a talking bean?

Jack lives on a small farm with his mum and very little to eat. He likes to talk to the birds, his cow and anyone who will listen. Imagine his surprise when he swops his cow for some magic beans and starts to hear a whispering in the breeze and a giant rumble in the sky...

Charming and inventive with plenty of interaction, an enormous beanstalk, bags of gold and a smelly old giant.

Jack and the Beans Talk is a cautionary tale about what might happen if you throw things out of the window!

A fresh and funny retelling of the traditional story and an ideal gentle introduction to theatre.
