

Fiddlesticks

Tap your feet and listen to the beat...

Fiddlesticks is the playful spirit of a violin who breaks free from his strings and leads us into a world of musical fantasy in search of the beautiful Violinka. On his magical journey, puppets made from old instruments spring to life: birds fly out from musical scores, a horse emerges from the bow of a violin...

Garlic Theatre conjure a spellbinding tale of rhythmical twists and turns with a lively blend of clowning, rod and shadow puppets, percussion and live music.
